Description

A crocodile leather wallet, or Pocket Book, with shaped silver corners to one side.

The wallet has a push button clasp to its frame to open it and reveal the tan, fine leather interior. The wallet has a large pocket to each side with 2 smaller stamp pockets to the right. Both sides expand a little on a gusset. The silver corners are hallmarked for London 1905 and also have worn maker's mark which look to be F.T. Dated 1905.
