REF: 8045

Height: 83.5 cm (32.9")

Width: 56 cm (22")

Depth: 42 cm (16.5")

Description

A mahogany Naval campaign chair, hinged to the middle of the side rails to concertina flat pack once the caned seat is lifted.

A classic piece of Georgian campaign furniture that packs quickly to a small size and so perfect for life on board a warship when preparation for action had to be swift. The folding arms have locking catches that release the two sections at their right angle joint. Antique period is late 18th century.
