REF: 8091

Height: 77.5 cm (30.5")

Width: 60 cm (23.6")

Depth: 39.5 cm (15.6")

Description

This mahogany washstand is a little early than most made to this design and a little smaller in size.

The legs and columns unscrew from the shelves to allow it to pack easily. Ross made a similar washstand with turned columns as opposed to brass standards but the maker of this one is anonymous. He did know his business though and the quality of timber and work is good.

Early to mid 19th century.
