York House

REF: 7011

Height: 65 cm (25.6") Width: 81.5 cm (32.1") Depth: 18 cm (7.1")

Sold

©Christopher Clarke Antiques

These mahogany and brass shelves are the most common form of campaign shelves.

They are however significant for the small ivorine disc to the back of the cresting rail. Very occasionally we have seen these shelves marked by The Army & Navy Society but never with another name, although many makers did produce them. These are marked 'York House Regent Street'. More can be read on York House in our Makers section by clicking on the link above. Late 19th century.
